PETITIONING THE COURT

To issue a warrant.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1

Special Condition #22 : If there is no approved release address prior to release from confinement, the defendant shall reside in a residential reentry center (RRC) for a period of up to 90 days. Defendant shall abide by the rules and regulations of the facility and shall participate in programs offered by the facility at the direction of the supervising officer.

Supporting Evidence: Paul Belis is considered in violation of his supervised release as he has refused to enter the RRC as required on or about August 2, 2013.

Mr. Belis was to be transported by U.S. Probation officers from the U.S. Marshals custody to the RRC in Spokane, Washington. Mr. Belis stated he would not enter the RRC and check in. He stated he wanted to appear before the Court and have his supervision revoked and serve all his time in custody rather than report to U.S. Probation or be in the RRC.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.
